Dedicatory Ceremonies For New Church Organ

St. John Church 4:00 PM

Most Reverend Kenneth Povish, Bishop of Lansing, Presiding

Just A Word ...

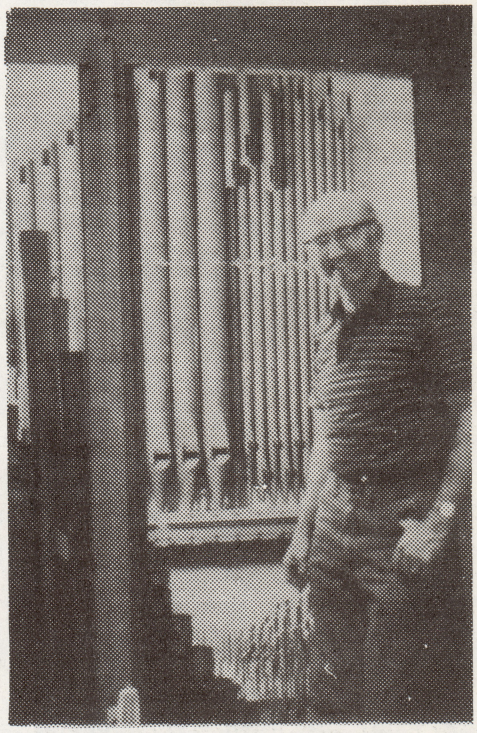
by Fr. Harvey

Organ Dedication Today

Gaudete in Domino semper: iterum dico, gaudete. Rejoice in the Lord always, I say it again, rejoice. This familiar invitation from St. Paul, traditionally, the entrance hymn for the Mass of the Third Sunday in Advent, takes on an extra significance for us here at St. John's today. At 4:00 p.m. this afternoon, the Most Reverend Kenneth J. Povish, Bishop of Lansing, will formally dedicate our newly refurbished church organ.

Joining in the special ceremony will be Father William G. King, former pastor here and present pastor of St. Paul in Owosso. It was during Fr. King's pastorate that the idea of tackling the ever present "organ problem" received its inception. When Fr. King assumed his post as pastor here in January, 1968, the pipe organ which had been in use since 1936 was silent due to a fire. In June of 1968, an Archbishop's appointment landed me here as Fr. King's Associate.

The faint sounds coming from a small electronic organ then in use hardly matched the beautiful Romanesque church which contained them, to say nothing of the nervous brides straining to hear a wedding processional. I remember Fr. King sharing with me the difficulties we would now share together. He had been told the old organ was not repairable. The entire church was in great need of renovation and there was not a penny available to accomplish any of the above. In 1969, due to the parishioners' generous cooperation, the church sanctuary was renovated, the stained glass repaired and the church was repainted and carpeted. Attention now turned to the organ in earnest. Marie Stachlewitz, who has been a church organist here for 56 years, was not about to let the "death certificate" be placed on the old organ silenced by fire. Not only does Marie believe in the resurrection, she also knows the "right" people. At her request, Mr. Melvin Light was called in to give his opinion. He discovered that the fire damage to the old organ was not as extensive as other sources had first maintained. A new used blower was installed, pipes were cleaned of soot, and behold, pipe organ music was now available. A problem remained, however. The old Marr and Colton organ, installed in 1936 was growing weary. You see, it had already played many years in a Detroit theatre prior to its installation in St. John's Church. Repairs were constant. Because of its age, parts were no longer available and many repairs were short-lived. Discussions about new organs and a new location for the organ ensued for days and months. New organs of any quality were prohibitive cost wise. Competent advisors also suggested leaving the organ in the choir loft, due to the architectural accoustics of the building.



Mr. Melvin Light, builder of the new organ, stands justifiably proud next to one of the three organ chambers which house the 1500 pipes comprising the new instrument dedicated today.

The next page of this history begins when Mr. Light discovered through a professional trade magazine for organ builders that a Methodist church in Kendallville,

Illinois was disassembling its church organ to make room for a new one. Knowing the value and the quality of the material available all for a price less than a song, a truck load or organ pieces arrived at St. John's in 1970. Organ chests, crates upon crates of pipes were all placed in storage for a day when it would be possible to use them as part of a new organ when funds became available. A used four manual Welte console was later purchased, again for a pittance, from a person in Berrien Springs, Michigan. It, too, was stored for a future day.

The "future day" began to dawn in 1972, when this parish was the recipient of an Estate from a late parishioner, Mr. Harold C. Block. A new boiler for the church was installed along with new piping for heating. The remainder of the Estate was designated for building the new organ. Plans which had been approved two years earlier could now begin in earnest.

Pews were removed from the choir loft by parishioners. A new floor was put in place by Don Randazzo. New electrical conduit was laid by Dave Wheeler. Revamping of the heating was accomplished by Pat Walters and others. With preliminary work finished, the new organ chambers could be constructed and the new organ begin to be built by Mr. Light. An untimely heart attack suffered by Mr. Light prevented the work from beginning.

In 1973, Mel was sufficiently recovered to tackle the project. Bob Gillman's carpentry skills were enlisted to construct the new chambers which would house the ranks of pipes. In April, 1974, the J.F. Ivory Company hoisted the new four manual Welte console to the choir loft. For hours upon end, both here in the church and in his home shop, Mel Light releathered the air chests, built new chests, restored damaged pipes, before installing the various ranks of pipes and connecting them for action to the console.

For those of you who are music buffs, the present church organ which will be dedicated today has 26 ranks of pipes. (The old organ contained 10 ranks of pipes, some of which are being used as part of the new organ.) A total of approximately 1500 pipes of various sizes and sounds make up the new organ you will be hearing.

Included in the new organ are the following ranks of pipes: Gross Gedeckt, Tuba, Viole, Viole Celeste, Diapason, Vox Human, Skinner (1925) Flugel Horn, English Horn, Trumpet, Chimney Flute, Harmonica Flute, Flute Celeste, Diapason, Voix Celeste, Gemshorn, Bourdon, Geigen Diapason, Octave, IV Rank Mixture, Subbass. A feature of the new organ is the duplexed choir and Swell.

According to Mr. Light, the new organ contains "collectable" material, unable to be duplicated today. Some of the pipes are the original work of Anton Gottfried, a renowned German-born, American pipe builder. Other materials are the original work of Ernest M. Skinner, America's most prestigious name in organ building when he built parts of our organ.

We can indeed be proud of our new organ and everlastingly grateful to Mr. Melvin Light who has built this "masterpiece" for a fraction of the price of a newly manufactured organ. The contract we signed with him several years ago was in the amount of $14,500.00. Considering the fact that one rank of pipes for a new organ is priced today between $4,000.00 and $5,000.00, an organ similar to the one we now call "ours" would cost in the area of $125,000.00! Not one of us will ever know how much Mel has donated to this parish. But those figures just quoted might give an indication. Thank you, Mel, for your talent, your artistry, your patience and your love for the people of St. John's who are called to to be a worshipping people in heart and voice.

Others who will be participating in the dedicatory program today, including our "surprise guest" will receive comment next week. In just a few words, I have tried to describe the history that is marked by this day's dedication and the reasons we have to REJOICE!

The Advent Banner

"Behold, I make all things new," describes Advent, the season of preparation for Christmas, the season to commemorate Jesus' birth, and to welcome Him anew into our hearts, and to look forward to His coming again in glory.

The Advent banner hanging in the Sanctuary has four parts. The upper half of the left side has one candle for the first week. The people reach out to Christ, symbolized by the star-like Chi Rho. The background is purple, the color for repentance which enables us to turn fully toward Him.

The lower left section, with two candles for the second week, shows Christ, the Chi Rho as a light shining in darkness. He is all light and whoever follows Him does not walk in darkness, but has the light of life.

The upper right has three candles. The third week is one of joy. We recall Paul's words: rejoice, again I say rejoice. Christ's coming to us is our cause for joy.

The lower right with its four candles and circle is for the fourth week. God is perfect like the circle. He calls us to "be silent and know that I am God." (Psalm 46) The circle symbolizes, too, the eternity of our existence, made to rest forever in His perfection.

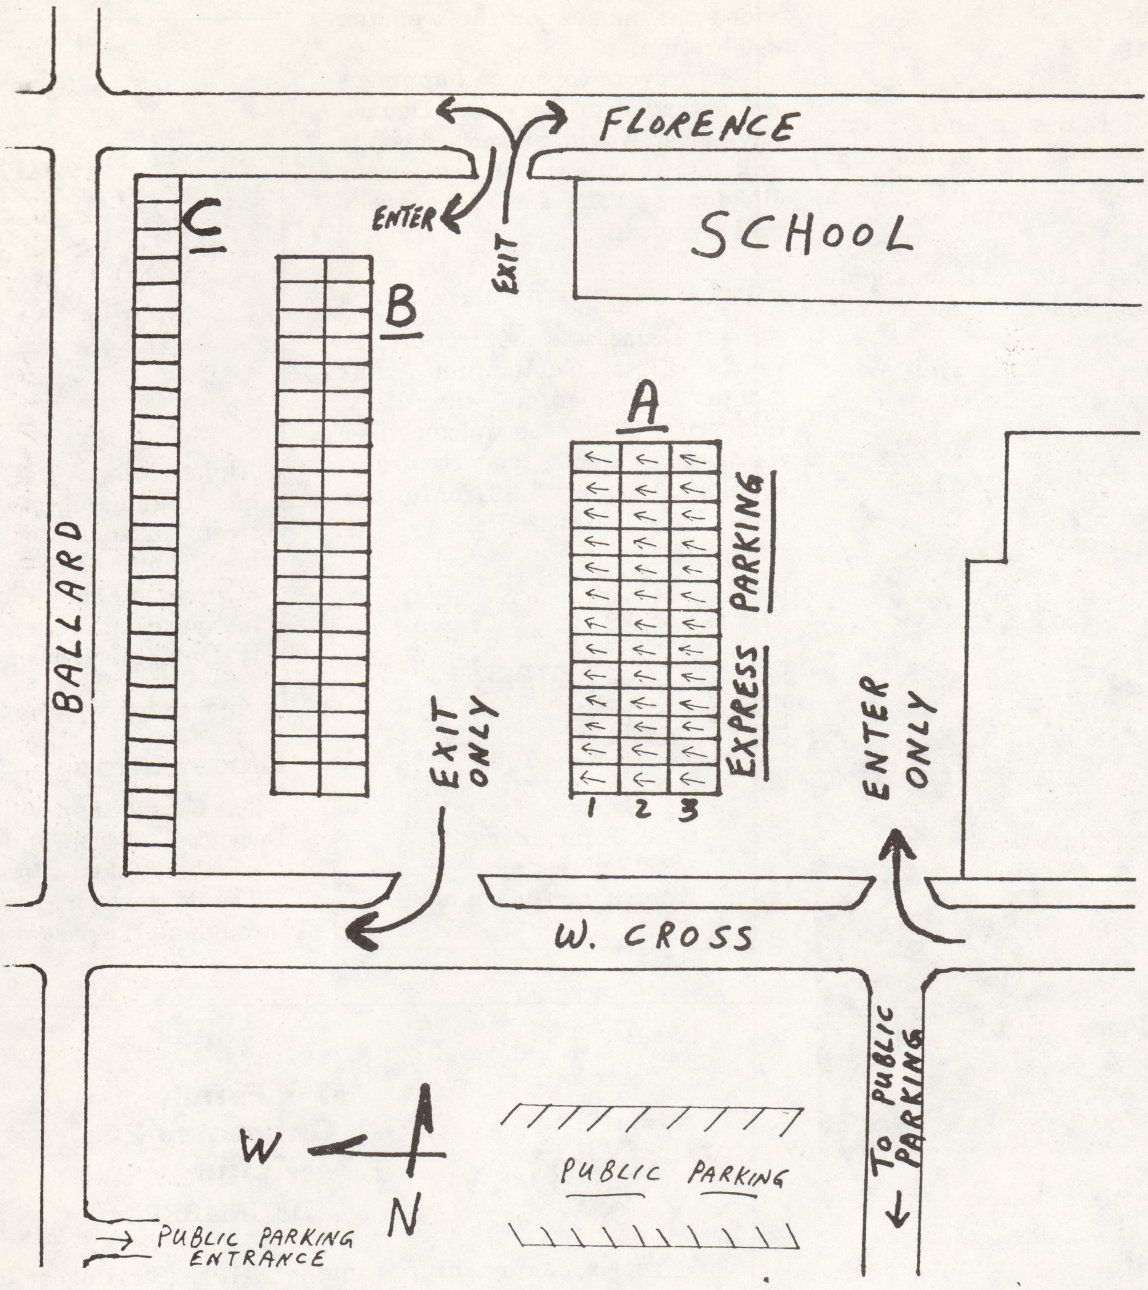
Gift of Life

... for Problem Pregnancy and Meals on Wheels Offering and sanctuary tree ornament may be brought to the altar in the offertory procession today and next Sunday.

Annual Church Decoration for Christmas

Sunday, December 18th beginning at 2:30 p.m.; Potluck at 6:30 p.m.

You are all invited to participate in the decorating next Sunday afternoon.



Parking Lot Guidelines

The diagram in today's paper should help clarify the apparent confusion regarding parking in the church lot. Please look at the diagram and review the following guidelines. Everyone's cooperation is necessary in order to accommodate the maximum number of cars.

1. **Express Parking (Section "A" on Diagram).** This section should be used by all parishioners leaving immediately after Mass (not staying for coffee and donuts).
2. Cars parked in Section "A" (Express Parking) should be facing west (see arrows on diagram) for easy exit out W. Cross exit or Florence Street exit immediately after Mass.
3. When parking in Express Parking (Section "A"), please fill all spaces in Row 1 on diagram first, then all spaces in Row 2 and finally all spaces in Row 3. Do not leave blank spaces in the middle row.
4. Do not use express parking (Section "A") if you are not leaving immediately after Mass.
5. Section "B" and "C" are for those staying after Mass or for overflow from Section "A".
6. Please be sure to "exit only" and "enter only" where indicated in the diagram. The Florence Street opening is the only one that can be used for both entering and exiting.
7. Do not park where there is not a space marked for parking.
8. If the church lot is full, there is public parking available across W. Cross opposite the church lot with an entrance from Ballard, south of W. Cross.

There are many more spaces available for parking now that the lot is lined but only if we use them as planned. This means leaving no blanks, especially in the express parking area (Section "A").

New Life in Christ

Alison Leigh Warner, infant daughter of James H. and Sharon A. (McGinley) Warner, became one with Christ and His Church through the Sacrament of Holy Baptism celebrated by Fr. Harvey on December 4, 1977. Alison's godparents are John Thomas and Maureen Peeper.

Welcome, Alison, and congratulations, Jim and Sharon!

Parish Nuptial

Mr. and Mrs. Gary L. Yezbick

Two faithful communicants solemnized their covenant of sacred marriage in our church on Saturday, December 2, 1977. Gary L. Yezbick and M. Denise J. Lussier spoke their vows before Fr. Harvey and Fr. Theophilus, Prior Major of the Benedictine Fathers in Detroit.

The groom is the son of Mr. and Mrs. Lewis J. Yezbick. The bride is the daughter of Mr. and Mrs. Roger B. Lussier. Paul Messink of Ann Arbor, and Catherine Lussier of Ypsilanti were the main witnesses. Lectors for the Nuptial Mass were James Mooney, Andrew Coles and Bert Ghezzi. Tony Redente was greeter and commentator. Other members of the Word of God Community served the Liturgy and provided the music for the wedding celebration.

Our prayers for much happiness are extended to Gary and Denise. "Whoever would preserve his life will lose it, but whoever loses his life for my sake and the gospel's will preserve it."

First Communicant

Peter Dezarov is the first of this year's First Communion candidates to celebrate the Holy Eucharist. Peter was welcomed to the Lord's Table last Saturday evening, December 3, 1977. May the Lord give you growth, Pete.

Also this year, we are experimenting with less costuming - so hang on to your sheets and bathrobes, we could be using them **next year.**

All children should meet in the Religious Education Center Library at 2:00 p.m. on December 18. If this date is impossible for you to make or if you have any questions, please call Judy Buck at 483-6378.

NOTE: Starting at 3:00 we will also have activities in the school for the children whose parents are decorating the church on that day.

1. If public schools are closed because of bad weather, our Religious Education classes will be cancelled also.

MAGAZINES:

Lots and lots of magazines are used at the Center for classroom projects. Our present supply consists of front and back covers with pages of holes. Anyone who could donate any old magazines to be cut up for classroom use, please drop them off any time in the Center lobby.

Intercessory Prayer

All the kings of the earth shall give thanks to you, O Lord, when they hear the words of your mouth; and they shall sing of the ways of the Lord: Great is the glory of the Lord. The Lord is exaulted, yet the lowly he sees. And the proud he knows from afar.

How great are you, O Lord, look what you have done for your people. Once we were blind to you but you gave us sight. You help us to walk straight in your path. We were once deaf to your Word, but now we can hear you. We were once dead in sin, but you raised us up with new Life. You are a might and generous God, King of Kings, Lord of Lords.

We cannot deny your presence among us, and in faith we give to you our Parish Team. May your spirit and wisdom work fruitfully in their lives.

We pray for our Pastor, Fr. Harvey, that through your healing power he will be made whole in spirit and in health so that he will continue to serve you and your people. Bless him Lord, for the presence of the Lord restores Life to all who believe in Him.

Lord, we pray for our aged, shut-ins and neglected, for our sick and those who suffer, for the needs of our parish.

We thank you for the dedication of our organ today, that the music from this organ bring praise, honor and worship to our God, the King of Glory.

We ask you to bless Pat and Sharon, Clarence and Toni, Hannu and Sally, that their new lives together will bring them much happiness and peace.

We thank you for Nicole and her gift of Baptism; for David, Dannille and Dianna, who have received the Body and Blood of Jesus Christ.

Lord, continue to prepare us for the season of Christmas that we may realize that we don't have to buy God's Lord, for it is free and everlasting and it is good.

The Lord says, Come to Me all who labor and are heavy laden and I will give you rest. Take my yoke upon you and learn from me; for I am gentle and lowly in heart and you will find rest for your souls. For my yoke is easy and my burden is light. Blessed are those who hear the word of God and keep it.

May the peace of Jesus be upon all of us now and forever.

Praise the name of Jesus.
David Rocha

Help Needed

Would there be any generous parishioners (maybe retirees) who would be willing to donate 30 minutes or so a month to help straighten out the music books in church. Because we have two sets of books which are in constant use, they often get misplaced in the benches. If you would be willing to help please call Sister Marilyn, 483-3360.

Kitchen Supplies

It has come to my attention that there are items in our parish kitchen/storeroom that are on loan only and which I am not aware of ... if any parishioner owns any item and wishes to have it returned, please inform Sister Carol at 483-3360 before marking of items begins.
